

DENTAL HYGIENIST

PREVENTIVE DENTAL CARE PROFESSIONAL

In September 2020, dental hygienists in Quebec obtained professional independence. What has changed?

Dental Hygienists....

01

have reserved activities.

02

Can provide treatments in homes, residence settings, workplace settings, in their dental hygiene clinics and in dental clinics.

03

Work in partnership with other health professionals.

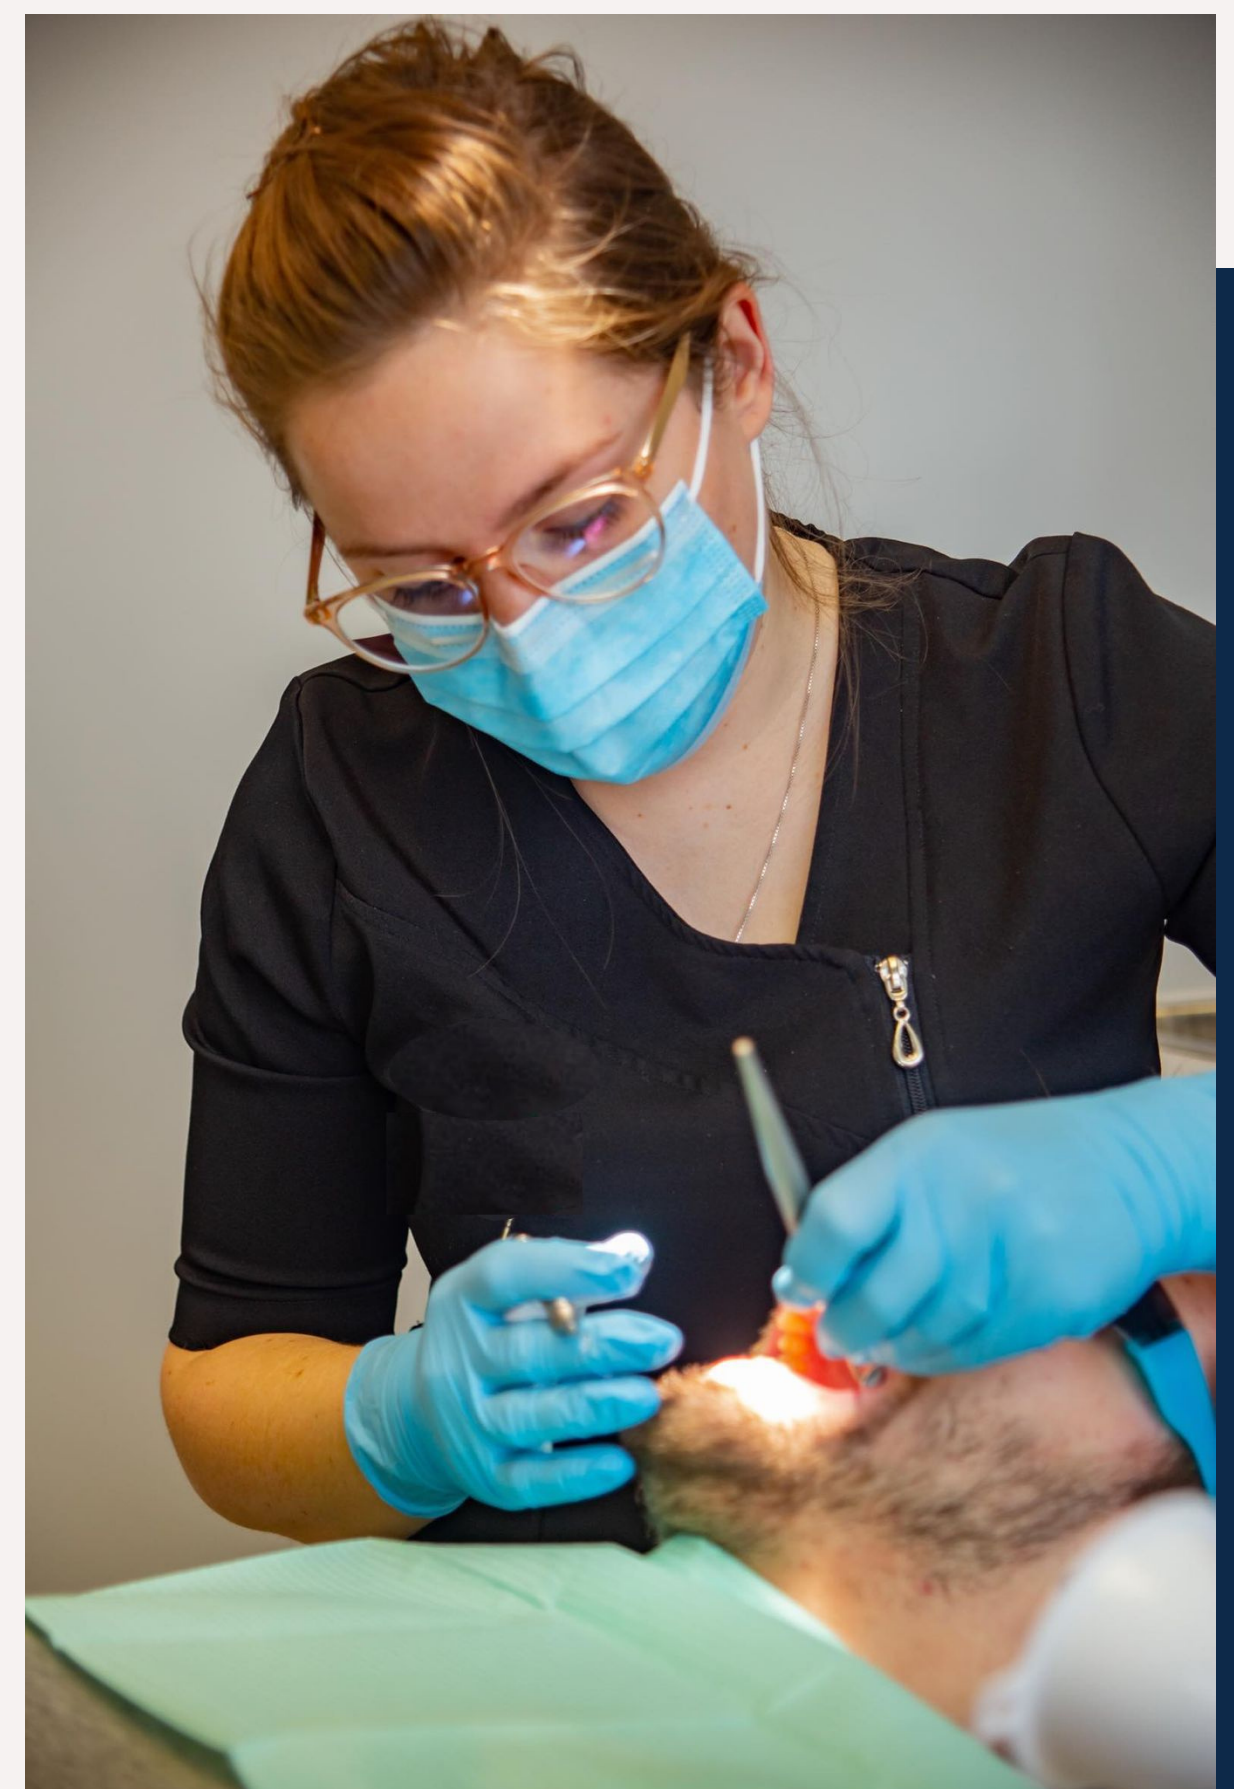

04

Possess professional competencies and operate within regulations in place.

- Dental cleaning
- Evaluation
- Application of desensitizing and caries preventing agents
- Sealants
- Sports guards
- Teeth whitening
- Oral hygiene instructions

The FHDQ is the association for the Dental Hygienists in Quebec.
